TEACHER SECTION RATIO

Detailed Teacher–Section Ratio

1. Teachers per Section

- **1.7 teachers per section**
- This means each section has availability of approximately **1 to 2 teachers** on average for academic distribution.

2. Sections per Teacher

$$2034 = 0.59 \frac{20}{34} = 0.593420 = 0.59$$

$$2034 = 0.59 \frac{20}{34} = 0.593420 = 0.59$$

- Each teacher is responsible for approximately **0.59 sections** on average.

3. Ratio Form

- Original ratio: **34 : 20**
- Simplified ratio:

$$17:10 \quad 17:10$$

$$17:10 \quad 17:10$$

Interpretation

- For every **10 sections**, there are about **17 teachers**.

- This indicates comparatively good staffing strength for:
 - Subject specialization
 - Period adjustment
 - Co-curricular activities
 - Student support and remedial teaching
 - Leave/substitution management
